

# Lauki Phones

## Plans & Pricing Guide

Effective September 2026 · All prices in Indian Rupees (INR)

Lauki Phones offers a range of prepaid and postpaid mobile plans designed for every kind of user — from light callers to heavy streamers. All plans include pan-India coverage, free incoming calls, and access to the Lauki Rewards program. Prices below are monthly unless a different validity period is noted.

### Prepaid Plans

Prepaid plans are billed upfront with a fixed validity period. Recharge any time through the Lauki app, website, or authorized retail partners.

#### Lauki Lite 500MB

Price: Rs. 99 | Validity: 7 days

|       |             |
|-------|-------------|
| Data  | 500 MB      |
| Voice | 100 minutes |
| SMS   | 50 SMS      |

Benefits: Pay-as-you-go rate after limit is used, no long-term commitment required. Ideal for occasional users or as a backup number.

#### Lauki Basic 1GB

Price: Rs. 199 | Validity: 30 days

|       |             |
|-------|-------------|
| Data  | 1 GB        |
| Voice | 300 minutes |
| SMS   | 100 SMS     |

Benefits: Up to 500MB of unused data rolls over to the next cycle. Free incoming calls while roaming within India. Our most popular starter plan.

### Postpaid Plans

Postpaid plans are billed monthly in arrears. A single monthly invoice covers your full usage, with automatic renewal until cancelled.

#### Lauki Premium 2GB

Price: Rs. 449 per month

|       |             |
|-------|-------------|
| Data  | 2 GB        |
| Voice | 300 minutes |
| SMS   | 100 SMS     |

Benefits: Free data rollover of unused data into the next billing cycle, priority customer support queue, and one month of Netflix Mobile included.

## Lauki Elite 5GB

Price: Rs. 899 per month

|       |              |
|-------|--------------|
| Data  | 5 GB         |
| Voice | 1000 minutes |
| SMS   | 500 SMS      |

Benefits: Unlimited data rollover, 24/7 priority support line, and bundled subscriptions to Netflix and Amazon Prime Video. Best suited for heavy streamers and remote workers.

# Choosing the Right Plan

Not sure which plan fits your usage? Use this quick guide:

| Usage Pattern                                | Recommended Plan  | Why                                               |
|----------------------------------------------|-------------------|---------------------------------------------------|
| Light — occasional browsing, backup number   | Lauki Lite 500MB  | Lowest cost, short validity, no lock-in           |
| Medium — social media, messaging, some video | Lauki Basic 1GB   | Balanced data and voice, monthly rollover         |
| Heavy — daily streaming, video calls         | Lauki Premium 2GB | More data, free rollover, Netflix included        |
| Very Heavy — multiple streaming apps, WFH    | Lauki Elite 5GB   | Highest data and voice allowance, dual OTT bundle |

## General Terms

- All plans include free incoming calls anywhere in India.
- Prepaid balances and validity are shown in the Lauki app under My Account.
- Postpaid customers are billed on a fixed monthly cycle date assigned at activation.
- Plan changes take effect from the start of the next billing cycle for postpaid customers, and immediately for prepaid customers after the current validity expires.
- International roaming packs are sold separately and are not included in any plan listed above.
